

## 4<sup>th</sup> Grade Basketball

There are two opportunities for 4<sup>th</sup> grade students (boys and girls) at LCES to play organized basketball through two different clubs.

1. Heart of the Valley (HOV) League- ran by the Middle School Athletic Association (MSAA). A sign up link will be sent separately in the take home folders. The parent meeting for this is on Monday, September 26<sup>th</sup>. This is league play – practices will start in mid-October. Games are played on 3 Saturdays – November 5<sup>th</sup> and 12<sup>th</sup> and December 3<sup>rd</sup>. Information on the sign up night will be in the take home folders. Renae Joten is the MSAA President and can be reached at [rjoten@littlechute.k12.wi.us](mailto:rjoten@littlechute.k12.wi.us).
2. Tournament team play – ran by Little Chute Hoops Club. On-line registration is now open. Information can be found on the Hoops Club website at [www.littlechutehoops.com](http://www.littlechutehoops.com). The parent meeting for this is Wednesday, October 5<sup>th</sup> at 7:30 in the HS Auditorium. Teams will play in 3 weekend tournaments, usually from late January through mid-March, depending on what the coach schedules. Any parents interested in coaching can fill out a coaching application – this can also be found on the website. Tom Huray is the Hoops Club President and can be reached at [tomandnancy@new.rr.com](mailto:tomandnancy@new.rr.com).

Generally speaking, the HOV League is a more relaxed setting and not as competitive. Hoops Club teams will be playing against other tournament teams from throughout the area and the level of play will be a little higher. **In order to play on a Hoops Club team, players must play in the HOV League.**

For both of these groups, parents will be required to work a shift at the concessions stand. Shifts can be anywhere from 2-3 hours. You will never be asked to work while your son or daughter is playing.

Also, do NOT contact LCES for questions on either group. Both of these groups are not directly affiliated with the school. Contact information for each group is listed above.
