

September 4, 2016

Dear 5th grade Parent/Guardian:

Over the next several weeks your child will be learning how to write their own song in music class and their final assessment will be to play that song for the class on an instrument. Since most of the students learned how to play the recorder last year in fourth grade we will be using that instrument for our compositions. In some special circumstances your child may be able to write their song for another instrument if they are currently taking lessons from a certified teacher such as piano, guitar, etc. Please contact me via e-mail if this is the case. Otherwise all students are required to bring their recorder to school and keep it in their locker or desk by Monday, September 19th. If your child has lost their recorder or was not in our school district last year please contact me via e-mail so I can arrange for them to borrow a recorder throughout this unit. Please let me know if you have any questions. Thanks for your help!
