

ALL STUDENTS NEED TO HAVE HEADPHONES OR EARBUDS!

Students in grades 5-8 were asked to bring earbuds (or headphones) to school as part of their School Supply list. We have many students who do not have them at school on a consistent basis. As our ability to access technology increases and students are able to do more and more things with technology, it is imperative that students have a set of headphones or earbuds **TO BE LEFT AT SCHOOL**. If this is not feasible for your family, please contact your child's teacher (or one of their teachers) so arrangements can be made for classroom assignments. Thank you for your support!

¡TODOS LOS ESTUDIANTES NECESITAN TENER AUDÍFONOS O AURICULARES!

Estudiantes en los grados 5-8 fueron pedidos a traer audífonos (o auriculares) a la escuela como parte de su lista de Materiales Escolares. Nosotros tenemos muchos estudiantes que no los tienen en la escuela consistentemente. Porque nuestra habilidad de conseguir acceso a tecnología continúa a crecer, es imprescindible que los estudiantes tengan audífonos o auriculares **PARA DEJAR A LA ESCUELA**. Si no es posible para su familia, por favor contacte usted al/ a la maestro/a de su niño/a (o uno de sus maestros) para que podamos hacer arreglos en los salones de clases. ¡Muchas gracias por su apoyo!
