

# LITTLE CHUTE BOYS

## BASKETBALL CAMP 2018

This summer the Little Chute Boys' Basketball Camp will offer the opportunity to learn and improve basketball skills. Younger players will be instructed in basic basketball skills within a fun environment. Older players will be instructed in basic and advanced skills, while also learning more about the game-like situation. Sessions will include individual competitions, a variety of skill games, and game-like situations.

All athletes must have apparel and shoes fit to play the game of basketball. Tennis/Basketball shoes are a must. There are water fountains near the gym, but bringing a water bottle is encouraged.
