

Dear Parent(s)/ Guardian(s):

Our character program is well underway! Students are already displaying good character and earning character coins. Way to go☺ A student earns a character coin when they have exhibited excellent character. When a student has earned 3 coins, they receive a certificate signed by Mr. Neubert, our school principal.

During the month of October, we are celebrating the character trait Trustworthy. Please have your child wear blue on **Friday October 7th** to celebrate Trustworthiness. We will also be having various character activities for students during the course of the school year. These activities will celebrate good character and emphasize the importance of good character.

We are *very* proud of the good character that students at Little Chute Elementary display. We thank all of the adults in their lives for helping to make that happen! Keep being TRRFCC!
