

Dear Parents/Guardians,

The Physical Education Department is excited to have a mini unit on cross country skiing here at Little Chute Intermediate/Middle School during Feb. 20-23, 2017.

The Fallen Timber's staff will be joining us providing great instruction and all the necessary equipment. Students will be instructed on how to put skis on correctly, use balance and proper technique, learn safety tips, etc. Following instruction, students will have the opportunity to go outside on the grounds of Little Chute Intermediate/Middle/High School and do some cross country skiing. Students will need to come prepared to go outside on their designated day and time. We ask that students dress appropriately on those days for outdoor weather (for warmth and dryness). All students will be required to wear a coat, hat, gloves/mittens and pants (no shorts). Students not dressed properly will not be able to participate.

We are hoping the students learn something new about a lifetime activity and get a fun, aerobic workout that day.

Thank you,

Mr. Miller & Mrs. Giordana
