

FRIDAY NOVEMBER 10TH IS GRANDPARENTS DAY!

If you are new to our school this is a fun day where our students are asked to invite a grandparent or a special person in their life to join us at school! There is a short classroom visit, then a quick stop in the library for a fun game, and treats and coffee for your special guests to enjoy while they are waiting to see you or waiting for another student's time slot. We will have our wonderful 4th grade Melody Makers singing in the multi-purpose room and our SWAT team members guiding our guests around. We also REALLY NEED parent helpers. This is crucial to making this day a HUGE success! Please sign up on the link below! If you cannot be there that day please consider making a treat for our guests. Thank you so much!
