POSTAL CUSTOMER**

The Little Chute Board of Education is forming a **community-based task force** to serve in an advisory capacity this fall (Sept. through Dec.) as we evaluate our facility needs and prepare for the future.

The **LITTLE CHUTE FACILITIES TASK FORCE (LCFTF)** will support the Board of Education as they **review, assess, and prioritize facility needs** to determine next steps.

The District is currently conducting a comprehensive facilities assessment to establish a foundation of knowledge about current facility conditions.

After touring the buildings, reviewing the assessment, and identifying and prioritizing needs, the **LCFTF** will **explore potential solutions** to help prepare options for a community-wide survey. The information gathered from the survey will help the **LCFTF make a recommendation** for facilities improvements to the Board of Education in December.

The Little Chute  
Facilities Task Force  
(**LCFTF**) will support  
the School Board  
as they review,  
assess, and prioritize  
identified facilities  
needs and determine  
next steps.

**To be considered** for the **LCFTF**, interested residents are invited to **contact** Melissa Johnson, District Administrative Assistant, **by August 26th**.
