

Mulan Jr Parents!

We can feel the excitement building in the auditorium each time the cast and crew show up. The set is coming together, costumes are starting to show up in the dressing rooms and the acting and singing is really starting to come together.

There are a few things I wanted to touch base with you on:

1. Students were given t-shirt order forms Friday in class. The shirts are \$10 and are not required, but we will be wearing them on show days. Cash or check is acceptable (checks made to LCASD). Students can bring the money and order form to the office. March 9th (Friday) 3:30 is the deadline. No late orders will be accepted. If you need financial assistance for the t-shirt please have your student see one of the directors by Wednesday for a Project Starfish form.
2. Parent help- We sent out a sign up genius link a while back and many of you have already signed up to help with different things. THANK YOU! We do still have some unfilled positions, please consider helping us out.
3. If you signed up for helping with the cast meal, Anna Maass and Stacy Hammen will be contacting you via email or through sign up genius to have to let them know what you will be bringing. They will let you know what is needed shortly. Again, thank you for helping to make this an exciting night for the students.
4. Costumes-Students will all need to find certain parts of their costumes. I have listed some of them below and will send home a note with your child as well, listing the items they need to find. All items should be brought to school by March 19th. Again, if finances are a concern, please have your student see me and we will use something from the costume collection at school.
 - a. Mothers/Daughters/Groomers/Hairdressers etc.-Long maxi type skirt, ballet or flat slipper type shoes, solid color top. They will wear their hair up in some way, if they have clips with flowers or ribbons that fit the era, they are welcome to bring them in and show the costume crew.
 - b. Fathers/ Sons/Soldiers-Khaki pants or shorts, tall white socks and solid colored t-shirt. Solid colored brown or black shoes.
 - c. Chinese Soldiers-Same as Fathers/Sons as well as Green t-shirt that will fit over their clothes. We will be decorating this to make them look the same as an army
 - d. Huns-black pants and black t-shirt. We will have furs and other things to add to their costumes.
 - e. Ancestors-white tights and white long sleeve shirt, you will have a gown/cape that will go over it. White shoes or sandals
 - f. Mulan/Mushu- we will talk individually with you.
 - g. Set crew must be dressed in all black head to toe so they aren't seen when moving set pieces on stage.
5. If you happen to have any extras of these items and would be will to let us use them, please send them in with your student.
6. The earlier the better so we know where we are at and what we need to help students find.
