

News from the School Nurse

We will be conducting hearing screens on all students in grades Pre K-Grade 3 starting today, Tuesday 11/14/17. If for some reason you do not want your student screened, please call the office and let us know. If your child does not pass the first screening, we will conduct a follow up in a few weeks before making a referral, as many times a simple cold can prevent your child from hearing adequately. You will be notified with a letter home after a second failure and further evaluation is recommended.
