

SPOT VISION RESULTS

The SPOT vision screens were completed by The Grand Chute Lion's Club volunteers on 10/17/2017. If your student was noted to have vision concerns following the screening, a referral letter is in today's Tuesday Folder. A complete eye exam is recommended. Please take this form with you to the eye doctor, have him/her fill it out, and return it to school. If you do not receive any paperwork regarding the screening today, that means your student did well and no further action is recommended. If you have any questions, please feel free to call us at 788-7610.

Thanks,
Kara Kramer, RN, BSN and Jean Sternig, RN, BSN
