

Little Chute Area School District
Professional Development Council
Application Form
2010-11

Professional Development Council Mission:

The Professional Development Council exists to provide direction for professional and intellectual growth of the school community to include; training and sustaining targeted instructional and assessment strategies/models and to provide time and support for the development of curriculum, professional portfolios and professional development plans which directly impact student achievement.

* Professional staff portfolios must be based upon the WSTS or NBCT

** Personal PDP's are aligned to look similar to the PI-34 plan —PDC will develop this
