

PTO Board Meeting Notes 4-18-17

Discussions

- All PTO board members will be staying on next year, so there will be no changes.
- Shannon, Teann, and Jim will be meeting in May to set up the PTO calendar for next year. We will be changing some dates around for some events next year such as the book fair and Grandparents Day (which will not be held together next year).

Recap of Events

- Aide Appreciation- Aides loved and appreciated having a couple of their noon duties covered! We will be making sure that next year if we do the same thing, we have each aide type up a small sheet with what their duties are so that the volunteers know what they are supposed to be doing and where they need to report.
- Snack Sale- snack sale went well. We need to check with our chair to see if she is still able to continue being chair for this next year.

Upcoming or New Events

- Clothing Sale- We had a parent volunteer to work on the LCES clothing sale we were looking at doing earlier this year. She did an amazing job of making some designs to put on different items. She used Custom Ink to make designs and we will run the sale through their site so everything will be done electronically. We can choose different types of shirts, sweatshirts, and other items we want to sell. We are thinking that we will put a flyer out at registration advertising the upcoming sale. We will then have the sale begin on the day of open house and run through the 1st or 2nd week of school. We will send a flyer home at open house announcing the start of the sale and how to order and can then also send out reminders in the Tuesday folder.
- BOGO Book Fair- Buy One Get One Book Fair starts Thursday the 20th and runs through Wednesday the 26th.
- Popcorn Day- Friday is the last popcorn day of the year. Peggy is stepping down as chair, so we are in need of a new chair to take over for next year. Popcorn day does not need to be on Fridays. Whatever works for the person taking over will work.
- Culvers Night- We have another Culvers Night coming up May 15th from 4-7. All time slots are filled.
- Fang Timber Rattlers Night- Tickets for the Timber Rattlers Family night will be coming soon.
- We will once again be having a Teacher Appreciation luncheon for the staff on Thursday, May 4th and we will have a Teacher Appreciation station located in front of the library windows so parents and students can write out notes and thank you cards to the staff.
