

This Friday is GRANDPARENTS DAY!!!

Please ask your grandparents to be at the school as close to their time scheduled as possible. The parking bans around the school will be temporarily lifted for more parking. Doors 1,2 and 8 will be open and we will have greeters at those doors to help guide people to their classrooms. If your grandparent has free time in between classes they may please visit our Book Fair, library and also the multi-purpose room for coffee and a treat.

Keep in mind we have changed the day a bit and there will be NO cafeteria time this year.
