

We are looking for more volunteers for our Bike to School Breakfast next Wednesday. These events cannot work without your help so PLEASE consider helping. You can arrive around 7:20 with your students and be done as soon as they go in for school. All members of families are invited so you can even bring the little ones that are not yet in school. Officer Tesch is especially needing help at her table to pass out information about bike safety and helping students sign up for a prize she will give out later that day.

If you can help us out here is the link to sign up:

<http://signup.com/go/VswWuE>

THANK YOU!!!!!!!!!!!!!!!!!!!!!!
