

Wisconsin School Meals Rock! Student Video Contest

The Wisconsin Department of Public Instruction School Nutrition Team – Team Nutrition and the School Nutrition Association of Wisconsin are excited to announce the *Wisconsin School Meals Rock!* Video Contest. We're calling all K-12 students attending schools that participate in the National School Lunch Program or School Breakfast Program to submit a short video telling us why their school meals rock.

One video will be selected for the grand-prize and the student team will receive a financial award of \$500 to split between team members. A runner-up video will be selected and the student team will share a financial award of \$250. These winning videos, and up to three honorable mention videos, will be featured on WI DPI webpages, social media, and newsletters. Schools of these winning teams will receive a *Wisconsin School Meals Rock!* banner to display in their cafeteria.

Entry materials and rules are available in the office. Video entries and the entry form must be submitted to DPIFNSTeamNutrition@dpi.wi.gov by Monday, October 31, 2016. Entries submitted after that date may not be considered for the competition.

Please also send your video to taher@littlechute.k12.wi.us when you are finished, along with the names of students in your group. Taher will be giving out prizes for those who enter.
