

Dear Parents,

If you know you are going to be moving out of the Little Chute Area School District and your child will no longer attend Little Chute Elementary School, please stop in the office by June 2nd to fill out withdrawal papers. This helps with planning classroom rosters for the 2017-18 school year and then you are able to register your child at their new school.

Registration for the new school year here at Little Chute Elementary School will be held on August 8th and 9th in the High School commons. Times will be posted at a later date on our District website.

Have a wonderful summer and we will see you
on September 5, 2017!
