

November 22, 2016

Dear Parents/Guardians:

The second graders will be participating in a Christmas sing-a-long concert on Thursday evening, December 22nd at 6:30 p.m. We will be performing in the elementary school gym. I have selected several traditional Christmas carols for our sing-a-long, so your participation is vital! I think this will be a wonderful family event for grandparents, parents and children to sing together and share in the holiday spirit! When you arrive, please report directly to the gym and be seated **together** in any seats you would like. The children will be singing four songs for you, but the rest of the evening will be singing WITH YOU. Most students like to dress up for this event! So bring your smile, your camera, and your singing voice to the gym on December 22nd. If you have any questions, please contact me at school. Hope to see you there!

Musically Yours,

Mrs. Lisa Thyssen
