

# LCMS 8<sup>th</sup> Grade

## COLLEGE AND CAREER READY CONFERENCING

We are in our ninth year of 8th Grade ACP Conferences (Academic and Career Planning). These *mandatory* conferences are **unlike traditional parent/teacher conferences**. Along with parents, the school counselor, and the student we will focus on each student's personal and social growth, his or her educational and career development, and his or her high school transition plan. Emphasis is placed on talents, abilities, interests, career exploration, training/college, and life as a 9<sup>th</sup> grader. ACP Conferences are specifically designed for parents/guardians to gain insight into their child's development, and to collaboratively create positive goals for their future.

Academic and Career Planning Conferences typically last about 30-40 minutes and are *not* intended for discussions of student discipline issues. If desired, behavior issues may be discussed at another appointment time with the counselor and/or teachers.

Conferences will be held in Jan, Feb, March, April, and May.

To schedule your 8<sup>th</sup> graders conference, go to

<https://ACPconference.youcanbook.me/>

(do not put www. in front)

or call me at 788-7607 x224 by Feb 5, 2017

I'm looking forward to meeting you and discussing the endless opportunities that await your young man/woman.

Tracy Schmidt  
IS/MS School Counselor
