

Digital Citizenship

The *Mustang* Way

Students are READY today by...

1. Having their device at school and charged.
2. Knowing where their device is at all times.

Students are RESPECTFUL today by...

1. Making smart learning choices while using their device.
2. Only using apps/programs/websites that their teacher has instructed them to use.

Students are SAFE and SMART today by...

1. Only sharing their personal information with people they know.
2. Not participating in cyber-bullying or using digital media to harass others.
3. Knowing when to report cyber-bullying or harassment.

REMEMBER:

What kind of digital footprint are you leaving?

What kind of digital footprint do you want to leave?
