

PARENTS - Our School will again be participating in Fang's Reading Club in conjunction with the Wisconsin Timber Rattlers and our PTO. It is an incentive-based program which rewards your child for reading every day. While improving their reading skills they have the opportunity to earn fun prizes from the Wisconsin Timber Rattlers. If your child completes the entire program (a/k/a – Hits a Home Run), they will be rewarded with a complimentary Timber Rattlers game ticket (and hot dog/ soda voucher) to our School's Family Night on Friday, May 19, 2017. Since this is a family event, you'll be able to purchase additional discounted tickets (details to follow). Bases and instructions can be found on the page marked **FANG BASES** included in this week's *Tuesday Folder*.

*This is *not* a drop-off event, but rather a family-event. Additional tickets may be purchased – Order Form to be sent home on a later date. Questions? Contact Tracy Hengst 788-9003 (athengst@new.rr.com)
