

Welcome to the Little Chute Elementary School Library!

A Peek into the Library:

The library looks a little different to start the 20/21 school year. However, your child is still learning and creating many wonderful things during their scheduled library class time. You can see all of the things your child is doing by visiting our website which can be found at <http://bit.ly/lceslibrary> or by scanning the QR code below. You can also follow us on Twitter @LCElementaryLMC

Book Care to Prevent Lost/Damaged Books:

Please be aware that our school policy states that students are responsible for payment of lost and damaged library books. We feel bad when we have to ask you to pay for a book, and with your help we can avoid this situation. Please reinforce the book care rules that your child has learned. If a library book is lost or damaged, the replacement cost of the book will be charged to your Infinite Campus account and is non-refundable.

If damage occurs, please do not try to repair it at home. We have special repair materials that are specifically made for libraries. Please send a note in the book to flag the damage so we can make the repair.

**We look forward to sharing the
joy of reading and learning
with your child!**

Mrs. Joy Zunker
Library Digital Learning Specialist

Mrs. Becky Ackermann
Library Director

Mrs. Carrie Berken
Library Assistant

Books are due back 1 or 2 weeks from the day they are checked out. See the table below to see how long books are checked out per grade. At this time, each student is checking out only one book at a time. We may re-evaluate this at a future date.

Grade	# of Books	Length of Checkout	Day of Checkout
4K	1 book	1 week	*
K	1 book	1 week	Friday
1	1 book	1 week	Thursday
2	1 book	1 week	Wednesday
3	1 book	2 weeks	Tuesday
4	1 book	2 weeks	Monday

*4K Parents: Stay tuned, we are working on setting up a check-out day with your child's teacher and you will be notified when your child begins to check out books.

Virtual Students:

Currently the school library isn't set up for curbside pickup, but the public library is offering an amazing service called Children's Book Packs. Patrons can add notes on what types of materials they would like, but specific titles are still requested through InfoSoup. Public library staff will select 10-40 books from Kimberly or Little Chute Library's collection that can be picked up through curbside delivery. A request form is available at <https://www.kimlit.org/>.
