

From the School Nurse's Desk:

I will be conducting hearing screenings starting next week and will hopefully be done by the end of December. If you would prefer we not screen your child, please let me know. If your child does not pass the screening, I will retest and then send a note home. If your child passes, I will not be sending a note home.

Thank you and please let me know if you have any questions.

Mandi Kunst, LPN

School Nurse Assistant
Little Chute Area School District
