Join us at Christ the King Lutheran Church, located directly in front of Kimberly High School, for this free community event.

Free blood pressure checks from Gold Cross Ambulance

Hands-Only CPR training from the American Heart Association

Hands-Only CPR has been shown to be as effective as conventional CPR for cardiac arrest, and it only takes a few minutes to learn. If you are called on to give CPR, you will most likely be trying to save the life of someone you love. BE THE DIFFERENCE FOR SOMEONE YOU LOVE.
