

After 15 years, Kwik Trip is discontinuing it's Milk Moola program. We have until mid March to send in any caps or pouch tops. Check your junk drawers and your hiding places!! Send in your caps now! After March 15th they won't be worth anything! We use these funds in the library to help support activities for National Library Week, celebrate Dr. Seuss's birthday, Breakout boxes and Library Obstacle Course to name a few of our programs and lessons. Because we see all of the students here in the library, we are able to share schoolwide.

This has been a wonderful program! We are sad to see it go. Please send in any caps or pouch tops you have as soon as possible. We'd appreciate it!
