Dear Parent(s):

We have received inquiries about whether or not Little Chute Elementary School students would be required to make up missed instructional minutes due to our five inclement weather days. After calculating our instructional minutes, taking into account the missed instructional days, the elementary school still meets the minimum instructional minutes required by the Wisconsin Department of Public Instruction. As a result, we will not make up this time; therefore, we will not need to alter our schedule or calendar for the remainder of the year. Please know that if we experience additional minutes of missed instruction, we will need to revisit this decision.

Sincerely,

Jim Neubert
Little Chute Elementary School Principal
