Dear Little Chute Families,

Earlier this week, the district sent out an email to all families asking if they wanted to sign their children up for online or in-person learning for the second quarter of the school year from November 9 - January 22. The deadline for this survey is Monday, October 12. Following Monday's deadline, I'll be reaching out to all families who selected online learning early to share with them the next steps and to confirm their selection.

If you have any questions or concerns about this, please feel free to reach out to me.

Thanks,

Marc
