

Come to our last PTO board meeting of this school year!!!

Tuesday, April 16th @ 3:30 in the library.

We are always looking for feedback from YOU the parents! We need your help to make our PTO even better! We have many parents stepping down from positions and events so we really truly need your help to keep these events going!!! We cannot have them without parent support and volunteering. PLEASE consider just coming and asking what some of these events are all about. You can rally your friends or family to support as well!

Children are welcome!!! They can read or finish their homework quietly.

We try to keep the meeting to one hour. You can come late or leave early if necessary. We are very flexible.

Thank you and see you in April!

LCES PTO
