March 14, 2018

Dear LCASD Parents and Guardians,

This message is meant to provide a follow-up to the previous District communication sent to all families regarding today's National Student Walkout event. The purpose of this event was to commemorate the recent tragic school shooting that occurred one month ago in Florida. At 10:00 a.m. today, some of our students did walk out of class for seventeen minutes to honor the seventeen people that died on February 14th at Stoneman Douglas High School.

I'm proud to say that the students who did participate did so in an appropriate and respectful manner. Please know we had staff available at all of our schools to ensure student safety during this time. Instruction continued to take place for students who remained in class.

In closing I would ask you to take time to talk to your child about what they experienced today, and if you have any questions or concerns, please do not hesitate to give your child's principal a call. As always, thank you for allowing us to be partners in the education of your child.

Sincerely,

David M. Botz
District Administrator
