

VOLUNTEERS NEEDED: Fang Reading Program

The start of the 2018 Fang Reading Program is quickly approaching. We are looking for a few willing parents (1 for each grade, including 4K) to help hand out prizes 1–2 times per week, to our school's eager readers. Each year we have about 300 children participate in the program and about 700 family members attend our Family Night at the ballpark!! This is a testament to our strong teacher and school reading support!

A BIG thank you also goes out to Fox Cities Stadium for continuing to support our schools.

Volunteering begins around Mid–February and will continue through Mid–March. Past years have shown that it's about 15–20 minutes per week and the timing of your visit is up to you.

Parents that volunteer will also receive a **free** Timber Rattlers Ticket good for Little Chute Elementary Family Night being held May 18th 2018.

If this sounds like something might enjoy, please click on the signup below and choose Timber Rattler Game and choose your grade. You will be contacted with "instructions" prior to Mid–February so that you know what you'll be doing.

Thanks for considering!
