

Good morning,

Vision screening was done on Friday, October 19th. We will be finishing up with students today who were not here on Friday. If your student passed his/her screening, you will not be hearing from me. If your student did not pass, I will be sending a note home with your child. Please watch for these in the near future.

If you have any questions, please feel free to contact me or Kara Kramer.

Have a great day!
