MISSION

The Little Chute Area School District is dedicated to fostering a community of learners where we meet the academic, social and emotional needs of ALL students.

VISION

Little Chute schools will be learning communities where students express a genuine desire to learn in a welcoming and secure environment. We will challenge ALL learners to become engineers of their own future by nurturing their creative and intellectual growth. We will provide the launchpad for students to excel in any field of interest by developing the whole child in a diverse and technical society
