

WELCOME TO THIRD GRADE!!!

Welcome back to school! We are looking forward to working with your child! We are going to have a WONDERFUL year!

Here are a few items to know about our classroom:

Lining up outside in the morning: 3rd graders line up by **Door 9** with 1st graders. This is the side of the building where the basketball hoops are located. Your child will line up here with our class each morning and will be able to enter the building at 8:00. At the end of the day they will exit door 9, unless they pick up a sibling or you have other arrangements for them.

*WIN Time stands for **What I Need Time**. Each grade level has a specific time in the day where students are provided with instruction of support in any appropriate areas as determined by grade level teams. During this time, your child may work independently, in a small group with a teacher, or one-on-one with a teacher.

Student Agenda: Each day your child will be writing homework assignments in his/her agenda. Please sign your child's agenda nightly when the work is completed. (To foster responsibility, we encourage students to show their agenda and finished work to their parents instead of parents having to ask for it.) We do check agendas every morning to see that it is signed and the homework is finished. Sometimes, we will write a note in the agenda. Please feel free to write notes to us in the agenda as well.

Snack: We do have a snack time each morning. All snacks need to be **healthy** and **nutritious**. In 3rd grade we do not have "class snacks." Instead, each student is responsible for bringing in his/her own snack each day. The snack can be kept in your child's locker. We will have a snack for everyone the first day of school. Some healthy suggestions are crackers, pretzels, popcorn, granola bar, fruit or vegetables.

Your child may also keep a water bottle (with a closable top for water only) in our classroom.

Birthdays: Your child may bring in a snack of their choice to share with the class, if they wish. Currently we have 26 kids in our classroom.
