

January 10, 2024 -Booster Club Meeting Minutes -

6pm @ LCHS Library

Meeting began @ 6:00 pm

****All motion items (with voting completed) are highlighted****

1) Attendance: Jenny Wegand, Sarah Beahm, Kathy Hermus, Kelly Effa, Renae Joten, Jenni Hietpas, Sue Sullivan, Dan Schmeider, Erin Hietpas, Tara DeBoth, Katie Bork, Ted Evers, Tracy Hengst, Stacey Van Grinsven

2) Coach Ted Evers spoke on behalf of football season.

Bright future, a lot of kids went out (80 players). Great participation. Gained numbers going from Freshman to Sophomore year. Main highlight of the season was that the freshman group were undefeated, which hasn't happened in a long time. Thanks BC for our support specifically for Free Lapse System to help with conditioning and speed. This benefits all kids, not just football players. Some players are part of the leadership program, which has benefited the whole group.

3) Treasurer's report/financial update:

Ending balance: \$28,263.89 (including interest)

4) Wording on mustang and stay classy Awards:

Stay Classy Award—the wording is handled by Dan Valentine.

Tara will create a spreadsheet/rubric to help with scoring to make the process easier for Mustang award. Kathy brought up the idea that students need to participate in the fundraisers if they are going to be considered for the award. Kelly E. asked if there are enough opportunities to volunteer. In order to be eligible for scholarship, they can't do the buy

out to raffle calendars which should be communicated at the co-curricular meeting. We agreed to leave the wording as is. Tara will send a copy to guidance counselors to get the final draft prior to the deadline. Sarah B. asked how many seniors actually applied--not many applied unfortunately.

5) Senior Parents find Replacement Reps:

Remind senior parents about senior night.....(see what boys basketball says). All reps should follow CC format for (post season instead of state meet). Reps should communicate with new coaches especially prior to the season. All reps should finalize the description for their season. Tara will review to make sure everything looks good and then share on the district website. Don thinks there should be one document that includes the core roles and responsibilities--Tara will create this and then we can add extra. Kathy asked about listing coaches collecting gifts on the description--this forces parents to feel obligated. Instead write "coordinate thank you acknowledgement to coaches".

6) Project Starfish Fundraiser:

Tara got an email from Joe Krueger for the Bowling Bash at Electric City held on March 16th. In the past we did \$200. **Renaë makes a motion to donate to Project Starfish. Sarah B. seconded the motion. All in favor.**

Tickets takers--3 per. Is this consistent? Tara will follow up on this with Kelly.

Meeting adjourned @ 7:02p

Don makes a motion to adjourn the meeting. Tracy 2nd the motion. All in favor.

Next meeting:

Roles & Responsibilities

Season tickets. How can we sell more season tickets? They recently went up in price. Can we do some sort of punch card versus unlimited games.
